BRIEF MENTIONINGS.

Events in and About the City Given in a Nutshell.

The funeral of the three-year-old child of Henry Hummel will occur from the family residence on South McCulloch street, at 2 o'clock this afternoon. Interment at Mt. Zion.

There was a noticeable dearth of cars on the Wheeling line yesterday. The electric storm of Thursday burned most of the cars out and so weakened some of the others that they played out yesterday.

The newly organized Knights of Columbus held a well attended meeting at the Knights of St. George hall last evening. They have decided to attend the institution of new councils at Grant and Martin's Ferry, in a short time.

The dance given by the Kora Kora Club at Mozart park last evening, was one of the most successful affairs ever given at the popular hill-top resort. Other features besides dancing were a grand fireworks display and a balloon ascension. Killmeyer played the piano and the devotees tripped it until an early hour this morning.

One of the plate glass windows in the front of McLoughlin's saloon, at the corner of Thirty-sixth and Jacob streets, was struck by a bullet from some unknown source yesterday. Fred Blum, who was crossing the street at the time, had a very narrow escape, as he felt the shot while past his ear. This looks like a case of indiscriminate shooting, and the guilty party should be ferreted out and made an example of.

Warning to Water Consumers.

In another column, Superintendent of Water Works Oliver requests consumers of water to-day to be as sparing as possible in its use, as a connection with the big main is to be made during the day. He hopes to have the connection made without shutting off the water from the city by Sunday evening, but should the circumstances warrant through the waste of water he may be compelled to deprive water consumers for awhile of the convenience they now enjoy.

A Young Cyclone.

Thursday's storm up Buffalo creek, though not so disastrous as rumored, was very severe. A section of country near the Brooke and Ohio county line seemed to be in the track of a young cyclone. Fences were blown down, trees uprooted, telephone wires broken and growing crops leveled to the ground. The creek was quite high, but did no serious damage.

Appointments Confirmed.

Last night there was a meeting of the council committee on police, at which the resignation of Officer William Trautwein was accepted, and the following appointments made by Chief Clemens, confirmed:

Regular—Henry Giering.
Substitute—James Hecker.

Going to Marquette.

Several members of Company A will leave to-day for Marquette, O., to attend the encampment of the Sixth Ohio Regiment. Some will go by boat and others by rail. The steamer Geary will give a rate of \$1 round trip, for a party of twenty or more. She leaves the Wheeling wharf at 11 o'clock this morning.

Had no Quorum.

The council committee on petitions and remonstrances was called to meet for the purpose of considering the applications of the various lake hotels for licenses, but failed to get a quorum.

In Clerk Robertson's Office.

Yesterday Clerk Robertson issued a marriage license to Charles W. Campbell, aged twenty-three, of Harrison county, Ohio, and Cora Olive Hinds, aged sixteen, of Ohio county, W. Va.

FIRST DISTRICT REPUBLICANS IN CONFERENCE

Here Friday Night, Discuss the Matter of Pushing James K. Hall For State Chairmanship.

MR. HALL IS NOT A CANDIDATE

But His Friends Decide That His Name Will be Presented to the Committee, and as

MAJORITY OF THE COMMITTEE

Are Pledged to Their Candidate's Support They Expect to Win Out at Parkersburg.

Last night, in the rooms of the county board of commissioners, there was an important conference of Ohio county and First district Republicans, at which the situation in this section of the state was the topic of discussion, and the matter of presenting the name of James K. Hall to the state committee for the chairmanship was considered. Mr. Hall, who was present, stated that he was not a candidate, but the leaders decided that his name will be presented at the meeting of the committee next Monday.

The meeting was attended by fifty or more prominent Republicans, including Hon. A. B. White, of Parkersburg, candidate for governor; State Senator N. E. Whitaker, who presided; Morris Horkheimer, C. F. Bachman, John Frew, A. R. Campbell, Thomas O'Brien, Jr., Capt. William Ott, Sheriff H. C. Richards, Circuit Clerk Henning, E. Buckman, Frank W. Nesbitt, Charles J. Schuck, W. H. C. Curtis, County Chairman Hornish, S. G. Smith, Alfred Davis, M. A. Chew, City Solicitor S. O. Boyce, W. G. Caldwell, H. W. McClure, C. A. Helmbricht, D. W. Martin, C. O. Roemer, Joseph C. Brady, Lester Smith, John E. Scheilhaus, Ralph McCoy, N. C. Hamilton, R. M. Adelman, Walter Worris, Max Srolowitz, R. E. Shaffer, James Frazier, George Work, of Sistersville; S. C. Denham, of Clarksburg; C. D. Elliot, of Parkersburg; A. J. Seamon, of Moundsville; State Committeeman J. W. McDonald, of Benwood, and a number of other prominent party men.

The meeting came to order shortly after 8 o'clock, and Senator N. E. Whitaker was called to the chair as the presiding officer. The session lasted over two hours, and the situation in this section of the state, the First district in general, and the Pan Handle and Ohio county in particular, was discussed fully. The opinion was that the prospects for party success are very bright, and in some of the counties of the district increased Republican majorities are predicted.

The state chairmanship was discussed, and the friends of Mr. Hall expressed their hope that he would be a candidate for the honor at the meeting of the state committee in Parkersburg, next Monday. They have worked well in his behalf, having secured for him the pledges of a majority of the committee.

Mr. Hall, however, stated that he was not a candidate for the state chairmanship, and that acceptance of the honor if proffered would involve a great personal sacrifice. He added, though, that if it was the will of the party and committee that he should take the leadership in the approaching campaign, and if acceptance on his part should be insisted upon, he could not, of course, as a good Republican, refuse.

The decision of the conference was that, as a majority of the state committee have expressed their desire for Mr. Hall's acceptance of the chairmanship and have pledged themselves to his support, his name would go before the committee next Monday.

Mr. White, who had been called here to have urged upon him the claims of Mr. Hall's friends for the state chairmanship, was not called upon to give an expression of his views, though he was present throughout the conference.

A TWO MINUTE SESSION

Of the Republican County Committee Held Last Night, and no Business Transacted—Another Meeting to Be Held Next Friday.

The county Republican executive committee held a two-minute session last night in the office of the county commissioners, just before the conference of the First district Republicans, and decided to postpone for one week the matter of determining the manner in which the legislative ticket will be chosen in this county.

The full committee was in attendance, as follows: Washington, H. E. Shaffer; Madison, H. C. Underwood; Clay, John W. Kindelberger; Union, W. H. Hornish; Centre, C. F. Bachman; Webster, C. A. Helmbricht; Ritchie, George Bell; Richland, W. J. Lyle; Liberty, R. M. Maxwell; Triadelphia, James Frazier.

For a time there seemed to be an overwhelming sentiment in favor of selecting the house of delegates nominees at the proposed primary, but within the past week there has been a revulsion of sentiment, created largely by knowledge of the experience of Wood county Republicans in selecting their house of delegates ticket by primary vote. The ticket that was there was so badly balanced geographically that Charles T. Caldwell, in the interest of harmony, withdrew, and the county committee placed another on the ticket from the southern end of the county. Here in Ohio county, it has been customary to name one of the four nominees from the country and another nominee has always been representative of the labor interest. A primary might result in a disarrangement of this custom, and it is a realization of this that has caused the revulsion of sentiment spoken of.

However, a plan has been suggested that will straighten out the problem in

Notice to Water Consumers.

In order to connect new water main to old we will be compelled to shut down works this (Saturday) evening at 6 o'clock, and kindly ask consumers to be as sparing in using water as possible, in order to keep from shutting water off from city.

C. M. OLIVER,
Superintendent Water Works.

good shape. It is that a primary be held, at which each district would select delegates to a county convention, senatorial and judicial conferees, and at the same time vote on the criminal judgeship nomination, for which there are two aspirants, Judge T. J. Huges and Attorney R. M. Adelman. The county convention thus provided for would select the house of delegates ticket, observing the custom of recognizing the country and labor interest.

KENTUCKY POLITICS

Squire Rogers Returns From a Visit to the Blue Grass State and Discusses the Political Situation There.

Squire W. W. Rogers returned from a brief tour of the Blue Grass state yesterday afternoon, and talked entertainingly on the political situation down there. He visited Sharpsburg, Mt. Sterling, Bethel and divers other places.

He said there was a terrible split in the Democratic ranks down there, and that Yerkess, the Republican candidate for governor, would be elected beyond a reasonable shadow of doubt. One element of the Democratic party was bitter against the outrageous scaling of Goshel; another portion was bitter on account of the treatment the rightful governor, Taylor, had received at the hands of the Democratic party; still another element declared they would not support W. J. Bryan and his free silver ideas, and the small remaining remnant was not numerous enough to elect a county constable.

Mr. Rogers also traveled through the lower end of West Virginia, and up the river front and from his observations he did not think it necessary to have an election, as Hon. A. B. White would be elected in the same manner he was nominated by acclamation. Republicans would not only elect the state and county tickets, but all the corporation tickets. He thought this an entirely Republican year.

For a New Trial.

Before Judge Melvin to-day, at Moundsville, arguments will be heard on the motion of the attorneys of W. J. Cotts, recently convicted on the charge of forgery, for a new trial. The state will oppose the motion vigorously. The defense claims that during the suspension of the trial on July 4, some of the jurors talked with outsiders about the trial and were therefore improperly influenced.

THEY ARE ARRESTED.

Secret Service Officer Elliot Captures Two Alleged Counterfeiters—They Plead Innocence, and Give Bond for Appearance at the Hearing To-day.

Yesterday morning the Intelligence exclusively chronicled the fact that Secret Service Officer Charles D. Elliot, of Parkersburg, had telegraphed to the Wheeling police, asking that two alleged counterfeiters, William Montgomery and Joseph Shepperd, be arrested upon the arrival of the afternoon Ohio River train. Chief Clemens and officers searched the train, but the men had left at some point below Wheeling.

Thursday evening Officer Elliot reached the city, and continued his search for Montgomery and Shepperd. Yesterday morning he learned that they had reached the city, and in the afternoon he arrested them at the corner of Fourteenth and Main streets. They were taken before United States Commissioner George E. Boyd, Jr., and gave bond for their appearance at a preliminary hearing to be held before the commissioner this afternoon. Montgomery's bond was signed by Mr. Hicks, of the Hicks & Hoge Company, and Mr. Edward Wagner, the Main street wholesale merchant.

Mr. Montgomery is a merchant at Wileyville, Wetzel county, this state, twelve miles east of New Martinsville, and Shepperd is a clerk in his store. The authorities allege that they raised bills to higher denominations, and Officer Elliot has specimens of their alleged unlawful handiwork in his possession. The friends of Montgomery and Shepperd in this city are loath to believe that they have committed an unlawful act. The accused claim that the raised bills were passed on them and that they had nothing to do with the counterfeiting.

REFUSES TO GO BACK

To Indiana Without Requisition Papers, Does William Morton.

Yesterday morning, Detective George Colling, of Fort Wayne, Ind., arrived in the city to take back to Indiana, William Morton, the man arrested Wednesday by the Wheeling police on information sent from Fort Wayne. The detective's intention was to return at once with his man, but he encountered an unexpected difficulty when Morton refused to return without the formality of extradition papers. The detective reported back to Fort Wayne, and in a day or two Governor Morton, of Indiana, will apply to Governor Atkinson for the man's return to the Hoosier state. Morton is accused, with another man, of robbing a restaurant of \$300 in money and \$400 in time-checks. The cashier of the place was called aside by Morton's confederate, whereupon he tapped the till.

The Center of Congratulations.

WASHINGTON, July 20.—The Chinese minister, Wu Ting Fang, is to-day a center of official and personal congratulation over the great service he has performed for the American government, and the American people in opening up communication between United States Minister Conger, and in sweeping aside a mass of horrible reports as to the wholesale massacre of our officials and others. The Chinese legation was in a state of jubilation to-day.

Complete Victory for Du Bois.

POCAHELLO, Idaho, July 20.—The Democratic state convention to-day reconsidered the vote by which last night it voted against the nomination of a senator, and instructed the conference committee to consider the senator one of the officers to be apportioned in the fusion arrangements. This is a complete victory for Du Bois, and there seems little doubt that eventually he will be nominated.
